Activities for Tots (0-5 Years)

Sportball classes foster a learning environment for children where they can learn new skills and explore their environment. We respectfully request parents to drop off their children for

programs as parents can sometimes be a distraction. If a child is anxious, a parent may stay during the class and Sportball coaches will work with parent and child to reach a level of comfort. Classes are available for children ages 16 months-6 years old; refer to the alternate age group for activity codes. All classes will be held indoors. 480-350-5201.
